

New members keep the club strong. That's why, to encourage new membership, NWOQMRA is excited to offer a scholarship program for new racers. We will be offering a limited number of cars to potential families to use for the racing year. This will be based upon an application process. Once the applications are completed, the NWOQMRA of Directors (BOD) will vote to accept applicants. If you are chosen, you will be given a race ready Quarter Midget to use for the year.

This is an excellent opportunity for potential new members to experience the excitement of Quarter Midget racing without the burden of the initial cost.
